SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Normal Operations	Normal Operations	Normal Operations

Coronavirus Disease 2019 (COVID-19)

The Cal OES State Operations Center (SOC) activated 03/02/20 at 0700 hours in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

Situation Overview

- **California State of Emergency Proclamation**

On 03/04/20, Governor Gavin Newsom declared a State of Emergency for California, as a result of the global COVID-19 outbreak that began in December 2019, to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the state prepare for broader spread of COVID-19.

- **Global Health Advisory**

On 08/06/20, in close coordination with the U.S. Centers for Disease Control and Prevention (CDC), the Department of State lifted the Global Level 4 Health Advisory. The Global Advisory, initially put in place on 03/19/20, advised U.S. citizens to avoid all international travel due to the global impact of COVID-19. For more information visit: <https://www.state.gov/>

- **State Executive Order N-33-20**

On 08/28/20, California introduced a blueprint for reducing COVID-19 in the state with revised criteria for loosening and tightening restrictions on activities by counties. Visit [Blueprint for a Safer Economy](#) for more information and to check the status of a county. This blueprint included a health equity metric to be used along with other metrics to determine a county's tier. The purpose of [Equity Metric](#) is to ensure California reopens its economy safely by reducing disease transmission in all communities.

- **CDPH Statewide Travel Advisory**

As of 04/02/21, CDPH and the CDC recommend delaying travel until persons are fully vaccinated. For more information visit: <https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/Travel-Advisory.aspx>

On 04/21/21, the State Operations Center (SOC) changed the reporting tempo for the COVID-19 Sit Stat and Trifold Reports from daily to once a week. Updated reports can be expected every Tuesday of each week until further notice.

SITUATION SUMMARY

Coronavirus Disease 2019 (COVID-19) (Continued)

Confirmed Global COVID-19 Cases – Per Worldometers COVID-19 Live Updates as of 05/25/21 at 1100 hours:

- 168,295,393 (+3,625,644) total confirmed cases
- 3,493,328 (+81,171) total deaths

Confirmed United States COVID-19 Case – Per Centers for Disease Control and Prevention (CDC) as of 05/25/21 at 1000 hours:

- 32,969,905 (+174,125) total confirmed cases
- 587,830 (+4,234) total deaths

Confirmed California COVID-19 Cases - Per Medical Health Coordination Center as of 05/25/21 at 1100 hours:

- 3,674,662 (+8,071) total confirmed cases

COVID-19 Vaccines Administered – Per Vaccine Task Force as of 05/24/21 at 2359 hours:

- 36,511,557 (+1,706,671) vaccines administered
- Please see attached California Health & Human Services (CHHS) Agency / Cal OES Joint Situation Report for additional details

Cal OES INLAND REGION

- Nothing significant to report.

Cal OES COASTAL REGION

Everbridge Test, Del Norte County

On 06/01/21 between 1100-1200 hours, the County of Del Norte Office of Emergency Services will be conducting a county-wide test of the Community Alert System (Everbridge) in anticipation of fire season. The test message will include:

- Suggestions for wildfire preparedness actions that residents can take.
- A polling question to gauge the individual's comfort with their current level of preparedness.

Cal OES SOUTHERN REGION

- Nothing significant to report.

WEATHER KEY POINTS

05/31/21 - 06/06/21

Monday - Sunday

- Generally dry conditions are expected through the week, though isolated showers and thunderstorms are possible each afternoon across the mountains of Inland Region, especially Wednesday and Thursday
- Hot temperatures will continue over much of the state through the middle of the week, with widespread 90s or 100+ degree readings expected across the southern deserts as well as much of the Central Valley. Moderate to locally high heat risk is expected. Poor overnight recovery is also expected, especially Monday and Tuesday.
- Locally gusty winds of 25-40 mph and very dry conditions will produce elevated fire weather conditions each day, especially along mountain slopes
 - These winds will likely be strongest across the southern California mountains and deserts
 - This also includes some breezy offshore winds expected in northern coastal areas and surrounding mountains through Tuesday

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2021-LAW-63629 at 1034 hours:** IERCC contacted CalOES Law Branch regarding an InReach Activation in Inyo County, 37.109563, - 118.493621, near the peak of Temple Crag. The Registered Owner (R/O) reported an accident where his fellow climber had fallen approximately 1000' and was presumed deceased. The terrain was too difficult for the climber to attempt access to confirm. Inyo County Sheriff's Office was contacted, and Search and Rescue efforts were put underway. Update: 1930 hours – The deceased hiker was hoisted off the mountain via CHP's helicopter (CHP H80). The R/O hiked out alone successfully. At 2100 Hours Inyo Sheriff advised all resources were out the field and the deceased was transported to the Coroner's Office. **Mission Closed.**
- **2021-LAW-63643 at 1348 hours:** IERCC Contacted CalOES Law Branch regarding an InReach Activation in Ventura County, 34.570917, - 119.048495, on the Sespe River Trail. The R/O of the device happened upon another hiker on the trail that was dehydrated and in and out of consciousness. Ventura County was contacted and launched SAR efforts. The subject was rescued via ground units and was later turned over to the Sheriff's Office for public intoxication. **Mission Closed.**
- **2021-LAW-63651 at 1515 hours:** IERCC contacted CalOES Law Branch regarding an InReach Activation in Kings Canyon National Park, Fresno County, 36.812332 Long: -118.548124. The R/O happened upon an injured hiker that appeared to have a broken leg and unable to walk out. Kings Canyon National Park Service (NPS) dispatched rescue efforts. At 2044 hours CalOES LEB was advised that the patient had been transported out of the field by NPS and subsequently refused medical treatment. **Mission Closed.**
- **2021-LAW-63647 at 1554 hours:** IERCC Contacted CalOES Law Branch regarding an InReach Activation in Fresno County, 36.819241, - 118.824542. This plotted to a remote location on Hwy 180 approximately 14 miles past Hume Lake Road. The R/O reported mechanical failures with her vehicle and was requesting a tow. No injuries were reported. The CalOES LDO contacted CHP-Fresno who initiated a response to assist with the disabled vehicle and motorist. At 1830 hours the R/O advised (Via IERCC) that they had driven their vehicle to a nearby campground and were requesting that emergency services be cancelled. They would attempt travel again on Monday morning. LDO immediately updated CHP. **Mission Closed.**

Cal OES MISSION TASKINGS

Cal OES Missions

- **2021-TACCOM-0422:** Kit-1 and HQ-10 of Sonim phones to Chico State and the CPUC for their annual Cellular speed test. Typical usage time is 30-45 days.

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
